History - the Key to the Past and Future?

The higher the grade and closer a student was to voting age, the lower the understanding of U.S. history”. The U.S. Education Secretary states, “it is through history that we understand our past and contemplate our future? yet many seniors ?know so little about their nation’s history and express so little capacity to reflect on its meaning?. Is an understanding of history necessary in today’s world?

Skills: Answering True, False or Not Given questions, writing a report, analysing tables and statistics, grammar - prepositions in context.
